

THE CIRCLE OF INFLUENCE

Inside the circle below, write your name. Now think about the various people who play key roles in your personal and professional lives, and add circles to represent them. As you go along marking these additional circles, you will be creating your own circle of influence.

Personal

THE CIRCLE OF INFLUENCE

Inside the circle below, write your name. Now think about the various people who play key roles in your personal and professional lives, and add circles to represent them. As you go along marking these additional circles, you will be creating your own circle of influence.
